

DIRECTIONS

From the North and East:

North - (Down M5)/East (via A417/A40, joining the M5): Exit M5 at Junction 11a, 11 or follow A417 towards Gloucester. Follow the signs for Ross/A40/A48, until you join the A40.

Pass through a series of traffic lights until you reach the Highnam roundabout, where you take the 1st exit onto A48 towards Chepstow and the Forest of Dean. Follow the A48 through the villages of Minsterworth, Westbury on Severn, Newnham and Blakeney.

When you come out of Blakeney, pass through the Nibley crossroads and keep going for approx. 1mile. You will reach a small section of dual carriageway on the brow of a hill (see picture below). The Farm gates are on the right about 410 meters on from the end of the dual carriageway, opposite The Willows (Big white house with white stones around the driveway).

From Wales:

M48 Junction 2, take the A466 exit to A48/Chepstow/Cas-gwent. At the roundabout take the 3rd exit onto Wye Valley Link Rd/A466. At the next roundabout take the 3rd exit onto Newport Rd/A48. Follow the A48 through Chepstow, Alyburton and Alvington (approx 12 miles).

At the next roundabout take the 2nd exit towards Gloucester. Drive straight over the next two roundabouts.

Drive straight, past the turning to Coleford on your left. Keep straight for approx 150m and the entrance to the Farm is on the left, opposite The Willows (Big white house with white stones around the driveway).

From The South:

M5 Junction 15, exit onto M4. Keep in the left hand lane and head off the M4 onto M48 after 2.1miles. Continue over the Severn Road Bridge.

Then follow the above instructions from Wales. *Please note there is a one-way Toll charge on the inward journey via this route (not on the return journey). If you wish to avoid the Toll follow the M5 towards the North until you reach Junction 11, then follow the instructions from the North.*

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

Exhibitors are reminded that the Kennel Club Regulations for the Preparation of Dogs for Exhibition will be STRICTLY enforced. Therefore the chalking, powdering or spraying (with the exception of water) of exhibits within the precincts of the show is forbidden.

Dog Fouling and Grooming Waster (Animal)

Any owner, exhibitor handler or other person in charge of a dog is requested to remove immediately any fouling caused by their dog(s) and/or any grooming waste at any Kennel Club Licensed Show within the licensed venue and within the environs of that event including car; caravan parks and approaches.

Claire Church (Pafaxen)

I am very proud to have been offered a judging appointment for the Pyrenean Mountain Dog Club Of GB. My name is Claire Church my affix is Pafaxen (in joint ownership with my partner).

I have owned and shown Pyreneans for 8 years taken the relevant judging exams. I am currently showing 2 puppies from my recent litter.

In total I own 4 Pyreneans which we show 3 of them and have had 1 litter. I handle a variety of other breeds and have done so for 20 years.

I am looking forward to judging our beautiful breed.

Ed Forsey (Muzoku)

My name is Edward Forsey, and I am one half of the MUZOKU kennel located in Somerset where we breed and show Alaskan Malamute's and Finnish Lapphunds.

Although owning dogs for many years it wasn't until 2009 when our children were older and time allowed, we added "Kouga", a 9 week old bouncy Alaskan Malamute puppy to the family and Tate decided that she wanted to have a go at showing, which is where our adventure started.

Moving forward I started attending seminars in 2011, mainly for my own understanding of dog 'type', 'construction' and 'movement'. This was originally to help improve my knowledge, leading to more informed breeding choices as well as laying the foundations for a possible judging future.

Move forward 13 years and judging has added an extra dimension to the dog show world for myself and by learning in depth about other breeds it has given me a deeper appreciation of both my own breeds as well as the importance of 'type' and 'function' on others.

Having now successfully grandfathered in both of my breeds, which I am eagerly looking forward to awarding CCs in for the first time next year. I am now steadily and surely expanding my knowledge adding additional breeds to my repertoire in the working, pastoral and utility groups.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm

Please take care of your dog

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.

The Committee does not accept responsibility for the content of advertisements or products advertised. We wish to remind exhibitors that grooming products on sale may not meet the requirements of Regulations for the preparation of dogs for exhibition.
