About Our Judge

I have been actively involved in dog showing for over 16 years. Originally as a handler due to not being able to have my own show dog at home, I however competed in Obedience with my family's German Shepherd which was great fun and further spurred my passion to become more involved in competing with dogs!

During my time as a handler I have showed multiple breeds to include: German Shepherd Dog, Catalan Sheepdog, Deerhound, Spanish Water Dog, Gordon Setter, Curly Coated Retriever, Chesapeake Bay Retriever, Miniature Wirehaired Dachshund, Pointer and Hungarian Vizsla. I have handled dogs in the above breeds to over 70 CC/RCCs, Champion Titles and Group Placings both in the UK and overseas. I currently own Gordon Setters and Chesapeake Bay Retrievers, 2 of my current dogs both won BOB at Crufts 2024 as well as gaining their Show Champion titles and Group Wins/Placements at Championship Show level.

I became interested in the Catalan Sheepdog back in 2008 before they were moved onto the Import Register. I began learning more about the breed from 2009 onwards, having many opportunities to visit breeders in the UK and correspond with breed enthusiasts from Spain, Germany and Sweden in an attempt to learn more about the breed's origins and construction. The breed is, and must always remain, a unique and functional working dog with a rustic appearance - this is something I am incredibly passionate about promoting. I have been regularly involved in the breed's judges education as a speaker at breed seminars as well as mentor/assessor, I have also written articles for canine publications on judging the breed.

I began judging in 2013 where Catalans were one of the breeds I judged as part of my first appointment. To date, I am passed to award CCs in 6 breeds and have judged 46 breeds within the UK, Germany and Sweden. I cannot thank the Catalan Sheepdog Club of GB enough for inviting me to judge at your forthcoming Open Show. I always consider judging at a Breed Club Show to be a very special honour, and I am truly looking forward to seeing you all and your dogs on the day!

James

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The KC has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events the KC would like to issue a reminder to all Societies of the importance of security at dog shows. The KC understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F(B)

- 1 These regulations must be observed when a dog is prepared for exhibition and/or exhibited at any KC Licensed event. Objections may be referred to the Board for disciplinary action under these Show Regulations and/or disciplinary action under KC Rule A11.
 - (a) a dog found to have been exhibited in breach of these Regulations will automatically be disqualified from exhibition at the show and from any award gained thereat.
 - (b) Unless the exhibitor provides a satisfactory explanation for the dog being exhibited in breach of these Regulations then he/she may be subject to further penalties of either a fine or as listed under Rule A11.
- 2
 - (a) No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the show.  - (b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat at the time of exhibition.

- 4 The Board without previous notice may order an examination of any dog or dogs at any show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the KC in their possession. Samples may be taken for further examination and analysis.
- 5 An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may however, be lodged by an official of the show or anyone so deputed by the KC. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The KC will substantiate the grounds for an objection made on its behalf.
- 6 Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show & the individual must produce evidence of identity at the time of lodging the complaint.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.

Your dog is vulnerable and at risk during hot weather and the KC offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.
