## ABOUT OUR JUDGE

In 1977 Tarka the working Pointer came into my life, soon after I had left home aged 19 to work with horses.

I had no idea there was a difference in working and showing lines. She was my pride and joy and I decided to enter her at Bath Championship Show, my local. I did not have a clue and entered her from novice through to open coming last in all classes, but I was bitten by the show bug.

Several more Pointers followed before I joined forces with Malcolm Poulton showing under the Mallysmar affix. The kennel, over a relatively short period (1984 -1987) was phenomenally successful making up champions in Skye Terriers, Tibet Terriers and a stunning Lhaso Apso handled by Geoff Corish.

I was initially not keen for French Bulldogs to join the kennel but a visit to see Maureen Bootles' Tommyville Frenchies completely changed my mind. Maureen was heading off to Sweden to start a new life and after much persuasion she agreed to leave Dinah (Ashleam Dinah of Tommyville) with us in partnership.

Dinah was the most beautiful bitch sired by Ch Tommyville Tommy but sadly she died young. More Tommyvilles followed Ch Tommyville Tee Vee Star at Mallysmar, Ch Tommyville Theadora for Twinhoe and the CC winning Tommyville Tantrum at Twinhoe, sired by Ch Twinhoe Vernon. Vernon came out at Bath Ch show in puppy taking the reserve CC. He was Group 3 at LKA and Group 4 at Crufts at a time when Frenchies rarely got a look in at Group level.

As well as numerous judging appointments in the UK, I have been honoured to judge in Europe, Russia, and Australia.

## DOGS IN VEHICLES ON HOT DAYS

**Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm**

**Please take care of your dog**

**If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused**

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations.

The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.

## **Use of Electrical Equipment at Shows**

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

## **Security at Shows**

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert. Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

### **EXHIBITORS PLEASE NOTE:**

In accordance with Kennel Club guidelines, exhibitors must display exhibit number/owner identification on their crate, cage or container at all times.

**NO CAGES/DOGS WILL BE ALLOWED AT THE IMMEDIATE RINGSIDE  
A 'CAGE' AREA WILL BE PROVIDED**

**FOULING BY DOGS:  
PLEASE DO NOT ALLOW YOUR DOG TO FOUL THE HALL OR  
SURROUNDING AREAS**

**EXHIBITORS ARE REMINDED THAT IT IS THEIR OWN RESPONSIBILITY TO  
CLEAN UP ANY MESS MADE BY DOGS UNDER THEIR CONTROL**

## **REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F(B)**

- 1 These regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Kennel Club Licensed event. Objections may be referred to the Board for disciplinary action under these Show Regulations and/or disciplinary action under Kennel Club Rule A11.
  - (a) a dog found to have been exhibited in breach of these Regulations will automatically be disqualified from exhibition at the show and from any award gained thereat.
  - (b) Unless the exhibitor provides a satisfactory explanation for the dog being exhibited in breach of these Regulations then he/she may be subject to further penalties of either a fine or as listed under Rule A11.

  - (a) Operations certified to the satisfaction of the Board.
  - (b) The removal of dew claws of any breed.
  - (c) Operations to prevent breeding provided that such operations are notified to the Kennel Club before neutered dogs are shown.Nor must anything be done calculated in the opinion of the Board to deceive.
- 4 The Board without previous notice may order an examination of any dog or dogs at any show. Any examination thus ordered will be made by a person having executive authority who shall have a written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
- 5 An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may however, be lodged by an official of the show or any anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
- 6 Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show & the individual must produce evidence of identity at the time of lodging the complaint.
