ABOUT OUR JUDGE

I feel it is a great honour to be invited to judge a Breed Club show and I am really looking forward to judging the Frenchies at The French Bulldog Club of England Championship Show.

I first awarded CC's in this breed in 2013 at Windsor, I also award CC's in seven other breeds, and the Working Group at Championship Shows, and have also judged the breed in several European Countries.

We were very successful breeding and showing our Great Danes & Giant Schnauzers and of course our proudest moment was seeing Ch Jafrak Philippe Olivier win the Supreme award of Best in Show at Crufts.

So onto a new challenge! I had always wanted a French Bulldog and in 1982 our first Frenchie came to live with us, bred by Tom Kentish (Tollydane) who was a great friend of ours. She was a beautiful little brindle bitch we were hooked! She just slotted in straight away with all our Giant Schnauzers, a Bulldog and a Pug!

Our second Frenchie was a lovely Pied bitch, another Tollydane who produced some beautiful puppies and nearly all our Frenchies go back to her.

It is no secret that I love my Fawns and we were so thrilled to be gifted a beautiful Fawn bitch by Maureen Bootle Tommyville Tauna Dora who in her first litter produced Ch Jafrak Pistols At Dorn, who went on to produce Champions for us and other breeders here and abroad.

Nothing gives Jack and myself more pleasure than seeing puppies bred by us winning for their new owners, and to see stock sired by our stud dogs winning so well in the show ring.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm

Please take care of your dog

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations.

The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert. Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

EXHIBITORS PLEASE NOTE:

In accordance with Kennel Club guidelines, exhibitors must display exhibit number/owner identification on their crate, cage or container at all times.

**NO CAGES/DOGS WILL BE ALLOWED AT THE IMMEDIATE RINGSIDE
A 'CAGE' AREA WILL BE PROVIDED**

FOULING BY DOGS:

**PLEASE DO NOT ALLOW YOUR DOG TO FOUL THE HALL OR
SURROUNDING AREAS**

**EXHIBITORS ARE REMINDED THAT IT IS THEIR OWN RESPONSIBILITY TO
CLEAN UP ANY MESS MADE BY DOGS UNDER THEIR CONTROL**
