About Our Judge

Sonia Davis - Rowendale

I started showing boxers at the age of 15, I purchased my first Boxer from Mary and John Hambleton of Marbelton boxer fame, and I had some success with Boxers in the show ring.

I have bred quite a few Champions in Bulldogs the most famous being Ch and Am Ch Rowendale Rum Truffle, who held the breed record for many years for winning the most Best in Shows at General Championship Shows in the UK.

I bought my first French Bulldog over 40 years ago, I have bred Champions and many CC and Res CC winners.

15 years ago I met Ann Wildman and we were married in 2017, so I basically married into Boston Terriers too. Myself and Ann now show under the Wildax Rowendale prefix, most notably we are currently showing Champion Wildax Rowendale Krispy Kreme who was Top Bitch and Top Puppy in 2025 and is currently Top Dog for 2026.

Ann and I are currently showing Wildax Rowendale Houdini who is doing well in the show ring; to date we have made up 10 French Bulldog Champions.

I award CCs in Bulldogs, Boston Terriers and French Bulldogs in the UK and I have had the honour of judging in Holland, Spain, Italy, Denmark, Portugal, USA, Japan, Australia, New Zealand and the Philippines.

The highlight must be when I was honoured to Judge Bulldogs at Crufts in 2022.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm - please take care of your dog

Your dog is vulnerable and at risk during hot weather and the Royal Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Royal Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Royal Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Royal Kennel Club Rules and Regulations.

The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Royal Kennel Club. This shall apply at the venue or within the precincts of the show.

Security at Shows

In light of recent events the Royal Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Royal Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert. Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

Use of Electrical Equipment at Shows

The Royal Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Royal Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.
