Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

Exhibitors are reminded that the Kennel Club Regulations for the Preparation of Dogs for Exhibition will be STRICTLY enforced. Therefore the chalking, powdering or spraying (with the exception of water) of exhibits within the precincts of the show is forbidden.

Dog Fouling and Grooming Waster (Animal)

Any owner, exhibitor handler or other person in charge of a dog is requested to remove immediately any fouling caused by their dog(s) and/or any grooming waste at any Kennel Club Licensed Show within the licensed venue and within the environs of that event including car; caravan parks and approaches.

NOT FOR COMPETITION

Societies may at their discretion, accept Not for Competition entries. Societies may accept such entries from breeds of dog not included within the title of the Society and at Shows held over more than one day, such entries may be accepted on any day from any breed.

DEFINITIONS OF CLASSES

In the following definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion under the Rules of any governing body recognised by the Kennel Club.

Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows.

In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must at the time of entry be a member of the Society.

In estimating the number of awards won, all wins up to and including the seventh day before the first closing date shall be counted when entering for any class i.e. **6th September 2024**

Wins in Variety classes do not count for entry in Breed classes but when entering in Variety classes, wins in both Breed and Variety classes must be counted. First prize does not include a Special Prize of whatever value.

ABOUT YOUR JUDGE - Mr Jesper Ravn

It all began in the early 90's, I was showing Old English Sheepdogs at the time, and went to an International All breeds show here in Denmark, and by sheer coincidence I saw my very first Puli. Fully corded adult Maszkos Fako male - I later inquired about his name, Ch. Kiralytelki Ordas, bred in Hungary and living in Holland.

I just knew I had to get to know this fascinating breed, and with a little investigation it turned out there was a breeder living just 30 min away kennel Luna owned by the late Mrs. Holmblad. She was a wonderful and very inspirational lady and I had my first 2 Pulis from her. By this time I knew I wanted to make the Puli my breed, and knew also I needed to venture outside Denmark for my foundation.

Very long story short - I got in contact with the late Barb Edwards of Prydain fame, whom in turn got me in contact with the late James and Liz Williams in Scotland (Rockisland Puli) I made several trips to the UK and eventually Rockisland Roll Yer Own and his daughter Ch. Mournebrake Rainy Daze came to live in Denmark. Both became multi champions & group winners at Int. all breed level, and at the World Dog Show in Portugal 2001 Rizla & Dash became World Winners and Millie the daughter of Dash & sired by Ch. Luna Crazy Corny was Junior World Winner. That's how it all began.

I have imported several dogs from Hungary to include in my breeding programme, some never made the cut, for different reasons, Like my superstar white bitch Ch. Loncsosi-Bator örkeny, drop-dead gorgeous and another all breed BIS winner, but with a hip score not meant for breeding.

Some dogs are just not meant for breeding regardless how cute and beautiful, health has to be a priority and that remains the case, we have been rather ruthless in our selection of breeding stock.

Over the years I have travelled a great number of times to the Puli Club of Americas National Specialty, always great fun and very educational, I have been fortunate on a number of these occasions to judge both Futurity and sweepstakes always with great entry numbers, just like when I was invited by the Putnam Valley KC to come judge various herding breeds at their Championship show, I got a really good Puli entry. I have judged the Puli in Finland, Sweden, the US and of course Denmark, since I don't have any intention of becoming an all rounder, the invitations are few, as it seems a trend only to invite allrounders to the all breed shows, a pity in my opinion, but I suppose it's just how the dog world is at the moment.

I am FCI qualified to judge and award CACIB in 24 breeds, which is enough for me.

I am really looking forward to judging in the UK.

ABOUT YOUR JUDGE - Mrs Hannah Patrick

I am thrilled to have been invited to judge the Special Award and Junior Handling classes at the club show this October. I brought home my first Dalmatian in 2013 and so my journey into the world of showing started then. I have been judging Dalmatians since 2016 and so far have been fortunate enough to judge over 100 dogs. Alongside my interest in judging I have served on committee for my local club, Bedford & District Canine Society and have fulfilled the role of Show Manager for the last few years, as well as run weekly ringcraft classes and monthly match night competitions. It's through this society I met Hungarian Puli exhibitors and fell in love with the breed. I'm very much looking forward to this appointment and getting the pleasure of judging this delightful breed.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm

Please take care of your dog

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.

The Committee does not accept responsibility for the content of advertisements or products advertised. We wish to remind exhibitors that grooming products on sale may not meet the requirements of Regulations for the preparation of dogs for exhibition.
