Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

Exhibitors are reminded that the Kennel Club Regulations for the Preparation of Dogs for Exhibition will be STRICTLY enforced. Therefore the chalking, powdering or spraying (with the exception of water) of exhibits within the precincts of the show is forbidden.

Dog Fouling and Grooming Waster (Animal)

Any owner, exhibitor handler or other person in charge of a dog is requested to remove immediately any fouling caused by their dog(s) and/or any grooming waste at any Kennel Club Licensed Show within the licensed venue and within the environs of that event including car; caravan parks and approaches.

ABOUT YOUR JUDGE

Elizabet A Caminade-Lavault

I was born in London, England, and raised in Zimbabwe in a household with Briards, Griffons (Bruxellois, Belge and Petit Brabançon), and Pomeranians. My journey into the world of dog shows began with Junior Handling, where I had the privilege of handling numerous breeds to Championship status.

At the age of 16, I started Ring Stewarding, and my judging career officially began in 1994. Over the years, I earned my judging qualifications in Southern Africa and am now an FCI International All Breeds Judge. I have had the honour of judging at National and International Shows in a wide range of countries, including Zimbabwe, Zambia, South Africa, Australia, New Zealand, Cyprus, Ireland, Thailand, Norway, France, Denmark, Lebanon, Malta, Canada, Estonia, Monaco, Italy, Portugal, Spain, and the Philippines.

Beyond judging, I have been actively involved in the dog world, serving as a Club Secretary for both specialist group clubs and all-breed clubs. I have also been a member of the executive committee of a governing body and held the position of Treasurer for the Kitwe Animal Welfare Society in Zambia.

My connection to Hungarian Pulis dates back to my childhood, where I first encountered them in the show ring during visits to English dog shows. My mother's close friendship with a Puli exhibitor sparked my fascination with the breed. More recently, I have had the privilege of awarding top honours to Hungarian Pulis, including Best in Show in Australia and Group First in Cyprus. These experiences have deepened my admiration for their unique qualities and allowed me to learn from world-class breeders.

Today, I live in Chester, England, with my partner of 34 years, Grant, and our son, Michael. It is a great privilege to judge Hungarian Pulis at your club show and to celebrate the exceptional characteristics of this remarkable breed.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm

Please take care of your dog

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.

The Committee does not accept responsibility for the content of advertisements or products advertised. We wish to remind exhibitors that grooming products on sale may not meet the requirements of Regulations for the preparation of dogs for exhibition.
