## MEET OUR JUDGES

### Mike Gilchrist (Silkata)

I was born into an animal-loving family. My grandparents had working gundogs, and my mother was a dog groomer who showed Poodles in Obedience competitions. The annual trip to Cruft was somewhat of a pilgrimage. My mother got interested in breed showing and she acquired a Tibetan Terrier. I got my first TT for my 21st birthday. He was not the best example of the breed, so I knew I needed to know more. However, further education and career got in the way and after a couple of years away from dog showing, I went back to the drawing board. I have always been aware of the dangers of being kennel blind, and that in reality no one never really knows it all. Learning from mentors and stockmen/women is imperative in achieving success. I made up 4 TT's in the days when Championship Shows drew large entries and remember showing one in a class of 21 in Minor Puppy Bitch! Unfortunately, TT's were beset with an inherited eye condition, and having bred an affected litter, I decided that was the end of breed showing for me. However, the late Ann Arch had other ideas and introduced me to the Puli. Back to the drawing board again. I have bred or owned 7 Puli Ch's and a couple of CC winners and an American Agility Ch.

I award 7 sets of CC's, and approved to award the Utility Group, the highlight in my judging appointments is having awarded the Utility Group at Crufts in 2018. I have judged in several FCI counties in Europe and always try to study the breeds which appeal to me. Back in the late 90's, one such breed was the Pumi. I have been proud to be involved in the education program for Pumis with my friend Elina Happaniemi, to have judged the first breed classes at Crufts 22, and to be President of the Club, which I feel is a great honour. With any breed, I feel we should never lose sight of the essence of the breed, the purpose for which it was bred, that it is fit for that purpose, and avoid any exaggeration in structure or presentation.

### Sandie Tadd (Kricarno)

I was born and raised in Gloucestershire and grew up on a farm, moved down to Sussex and married a farmer in my late 20s.

I've had dogs all my life mostly pastoral, we bought our first Pyrenean Mountain Dog in the late 80s, and I've been breeding and showing them for nearly 30 years, I gave my first tickets nearly 12 years ago in my Breed and I'm also approved for another Breed.

I judged Crufts two years ago, and I am judging there in 2026 sadly, not my Breed, but I still regard a great honour, to be asked to judge any Breed wherever it may be.

I am not out to judge every breed there is going either, only the ones I have a real interest in, and Pumis happen to be one of those breeds, and I feel very honoured to be asked to judge your special Classes at your up-and-coming open show. Thank you so very much, really looking forward to meeting you all and your delightful dogs.

20. An exhibitor or competitor should ensure that contact details for any handler are available and must be provided upon request in any investigation of a breach of this regulation by such handler.

## **DOGS IN VEHICLES ON HOT DAYS**

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm**

**Please take care of your dog  
If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused**

**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.

The Committee does not accept responsibility for the content of advertisements or products advertised. We wish to remind exhibitors that grooming products on sale may not meet the requirements of Regulations for the preparation of dogs for exhibition.

**Exhibitors are reminded** that the Kennel Club Regulations for the Preparation of Dogs for Exhibition will be STRICTLY enforced. Therefore the chalking, powdering or spraying (with the exception of water) of exhibits within the precincts of the show is forbidden

### **Dog Fouling and Grooming Waster (Animal)**

Any owner, exhibitor handler or other person in charge of a dog is requested to remove immediately any fouling caused by their dog(s) and/or any grooming waste at any Kennel Club Licensed Show within the licensed venue and within the environs of that event including car; caravan parks and approaches

## **Use of Electrical Equipment at Shows**

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The KC has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

### **Security at shows**

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.
