 - (b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat at the time of exhibition.
- 3 No act or operation which alters the natural conformation of a dog or any part thereof may be performed except:
 - (a) Operations certified to the satisfaction of the Board.

- 6 Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show & the individual must produce evidence of identity at the time of lodging the complaint.

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to PowerPoints so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

Jackie Stubbs

I've been involved in pedigree dogs all my life with my family have dachshunds. Along with my wife we got our first show dogs in 1984 2 rottweilers, Athenry Misty Blue and our foundation bitch Relenco Reba McIntire, NI top winning bitch. In the following years we had multiple UK & Irish Champions and International Champions in 5 breeds.

I have won top rottweiler in the UK twice and 3 times in Ireland and overall winner on two occasions.

In the following years we had dalmatians; many winning UK & Irish titles, Borzoi winning Reserve Best Puppy in Show at the World Winers Show, Holland. In terriers we have owned Parson Russell Terriers and have had the pleasure to win UK, Irish and International titles with them and still hold the title of the first bitch to win Best in Show at an all-breed IKC Championship show, She also holds the record for the overall top winning bitch in Ireland.

In Australian Terriers we have had great success with most gaining UK & Irish titles, also Best of Breed at Crufts with Frankie. We have also bred multi champions and exported world-wide to Malta, Australian, Portugal, Italy and Canada with most becoming champions in their countries.

Over the years of showing and handling I have judged at FCI level, 5 groups and Best in Show. In the UK I judge at CC level in 14 breeds plus the working group and had the honour in 2024 to judge Best on Show in Scotland for the first time.

I have judged at championship level in Malta, Holland, Australia, Denmark, Finland, Norway, Ireland, Gibraltar, Bahrain, Sweden, Poland and of course the UK.

I have worked for Hills Pet Foods and at the moment HappyDog for the last 10 years.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.

The Committee does not accept responsibility for the content of advertisements or products advertised. We wish to remind exhibitors that grooming products on sale may not meet the requirements of Regulations for the preparation of dogs for exhibition.

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm

**Please take care of your dog
If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused**

Margaret Wildman

I bred my first litter of Boxers in the early 1960s, which was when I started working in Obedience, moving on to Working Trials & Tracking and later progressing into the show ring in 1975. Along with my late husband Frank, I have bred 49 UK Champions and dozens of overseas Champions in 7 different breeds. I award CCs in 28 breeds in the UK plus many other breeds in the FCI. I judge four Groups and Best In Show and have now had the honour of judging in 48 different countries.

I have won Best Of Breed at Crufts many times with three different breeds and have bred record holding dogs in three breeds. I am delighted to now hold the record as the most successful breeder in the history of Boston Terriers, having bred more champions than any other UK breeder. I was a student at The Canine Studies Institute in 1981 passing the Judging Diploma Certificate. I have written and delivered numerous seminars and examinations on the Boxer, Bulldog, French Bulldog, Griffon, and Boston Terrier including seminars for the Group Judges Development Programme.

I have co-ordinated the Judges Training Programme for the Merseyside Boxer Club & the Northern Boston Terrier Club. I write the breed notes for Boston Terriers in Our Dogs, and I also wrote a regular column for ten years under the heading Wildman's World in the same publication.

I have been involved with the administration side of dog showing since 1975 once holding the position of secretary for fifteen years. I have been a ring steward for over 45 years, and I still enjoy stewarding today. I am now Chairman of two clubs and very proud to have been elected by the members, President, and Honorary Life Member of four general canine societies that I have been involved with for more than 45 years. I have been a member of the MBC for over 50 years and have seen many changes along the way. I wish to thank all of my committee for their unstinting work over the years, however special thanks must go to our much-loved secretary Marion McArdle, as she has been the most calm, efficient, and much valued person I have ever had the pleasure of working with, and I hold her in very high esteem. I would like to wish everyone good health & happiness for the festive season and win or lose, I hope you all have a very enjoyable show.
