Breach of Royal Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Royal Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Royal Kennel Club. This shall apply at the venue or within the precincts of the show.

21. Entry fees will not be refunded under any circumstance unless the Club decides otherwise.

Use of Electrical Equipment at Shows

The Royal Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Royal Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to PowerPoints so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events the Royal Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Royal Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place

ABOUT OUR JUDGES

Mr Dale Francis (Longsdale)

I have been actively involved in the world of pedigree dogs for over 20 years, exhibiting under the Longsdale affix alongside my partner, Gary Pearce. Dogs have always been a lifelong passion, and during this time I have been fortunate to achieve considerable success in both breeding and exhibiting at the highest levels.

To date, we have bred, owned, and made up 49 UK Champions across four breeds, accumulating more than 300 Challenge Certificates. Among our many achievements, we have produced and exhibited numerous Championship Show Group placers and Best in Show winners, including the prestigious honour of winning the Utility Group at Crufts 2016, a highlight of an already rewarding journey in the sport.

Our breeding programme has always focused on producing dogs that combine soundness, breed type, and excellent temperament. The success enjoyed by the dogs we have bred, owned, and exhibited is something of which we are immensely proud, and we remain committed to maintaining and promoting the highest standards within our breeds.

I am honoured to have been invited to judge Boxers at the Merseyside Boxer Championship Show in 2027. I greatly look forward to the appointment and to assessing what I am sure will be a quality entry on the day. Thank you to the officers and committee for the invitation, and I look forward to a memorable and enjoyable day.

Mrs Kat Copley-Holland

My lifelong passion for dogs began with Cocker Spaniels, Cairn Terriers and Whippets, but my junior obsession was agility with our working Border Collies. After a career break to serve in the military, I discovered Alaskan Malamutes while skydiving in Florida, where one was the drop-zone dog. I was hooked!

Following my military career, I established Katabatic Alaskan Malamutes and began breeding, exhibiting and judging. I've been privileged to show across Europe and the USA, achieving success with top-ranked US dogs, Championship Show Group winners, Best in Speciality Show winners, CAC/CACIB/JW winners, Crufts BOB 2019 and Best Puppy Crufts 2024.

A career highlight was making breed history by crowning the first native-bred Alaskan Malamute a UK Champion in just 10 weeks, with his daughter, grandson and great-granddaughter following in his footsteps.

Approved to award CCs in Alaskan Malamutes, I've also had the honour of judging numerous breeds in the USA. I remain passionate about expanding my knowledge, particularly across working and Spitz breeds, supported by fantastic mentors in the UK and USA.

A huge thank you to Merseyside Boxer Club for the invitation to judge. It's a genuine honour, and one I greatly appreciate.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm - please take care of your dog
If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused

Your dog is vulnerable and at risk during hot weather and the Royal Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at Royal Kennel Club licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Royal Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Royal Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Royal Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Royal Kennel Club. This shall apply at the venue or within the precincts of the show.

Exhibitor information

Please help keep the venue clean. Owners, exhibitors and handlers must immediately remove fouling by their dogs from the venue, car parks and approaches. Use the clearly marked exercise area; do not allow dogs to foul at the front entrance or nearby grassed areas.

Dogs in cars: remedial action in accordance with Royal Kennel Club guidelines will be taken if a dog is found in distress.
