Laurence Morgan-Evans

I got my first Great Dane back in 1982 from Lesley Collette. I only judge Great Danes and Boxers as they are the breeds that I am interested in.

I have judged all over the world including countries like Australia, South Africa, Norway, Brazil, India and New Zealand. I have completed 12 Great Dane Appointments so far in the UK 1 of them being Crufts in 2013 where I pulled and entry of 138 dogs making 153 entries with that I found my best of breed from NO SW CH Smalltall's Believe In Me owned by Heidi Lund & Roger Sjølstad.

The dane that I feel put me on the map was my home bred bitch Ch Vanmore Hopelessly in Love she was retired with 25 CCs. My top winning Dane was Ch Vanmore Stop And Stare At Castleon who was the breed record holder with 53 CCs all from different judges. I also showed his sister Ch Vanmore Eye Catching who was also retired with 25 CCs.

I am very much looking forward to my appointment at The Midland and West Great Dane Club judging bitches. This will always be one of my favourite shows on the dog show calendar and even more special to me as it was my partner the late William Paterson's last judging appointment in 2017.

Alan Mease

My life in dogs...

I started at the tender age of 5 showing my mother's Cocker Spaniels I then had my own dog at 18 being an Irish Wolfhound, over the years I have mainly stuck to hounds, Bassets GBGV.

Briards came along at the age of 20 and Wirehaired Dachshunds at 30 both of which I still own, breed and show. At the age of 30 I had my first Great Dane purely as a pet which I bought second hand a blue girl of Tovayne breeding then fawns came along again mostly Kunrath breeding and Helmlake Harlequins.

I showed all of the dogs with a small amount of success over the following years. I have owned a number of breeds Lhasa Apso, Puli and a Saint Bernard.

I award CCs in 6 breeds covering 3 groups Briard, Great Danes, Saint Bernard, Basset Hounds, GBGV, PBGV and I have judged Worldwide including USA, Australia and most of Europe.

I look forward to and privileged to be judging at The Midland & West of England GDC Christmas Championship Show.

USE OF ELECTRICAL EQUIPMENT AT SHOWS

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used. The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

SECURITY AT SHOWS

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows. The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert. Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

DISCLAIMER

The Committee of the Show can accept no responsibility for products advertised or sold by stand holders at the Show and remind exhibitors that grooming products on sale may not meet the requirements of the Regulations for the Preparation of Dogs for Exhibition.

ONLY ENTERED DOGS WILL BE ADMITTED TO THE SHOW

WARNING NOTICE

All persons attending the Dog Show must compensate and/or indemnify the organisers for any loss or damage to any property or buildings within the showground caused with or without negligence by any person under the age of 18 years who is brought by them to the Dog Show, or for whom they are responsible.

THE GREAT DANE BREED COUNCIL

It has been brought to the Council's attention that the temperament in Great Danes is deteriorating. Therefore this notification will be in Schedules and Catalogues. It is intended as a guide to both Judges and Exhibitors.

KC RULE 15 EXCLUSION OF DOGS

If in the opinion of the Show Secretary, Show Manager or Judge any dog is considered not in a fit state for exhibition owing to disease, savage disposition, or any other cause, the dog may be excluded or removed from the Show on the instruction of the Show management. Once excluded or removed from the Show the dog must not be brought into the Show at any time under any circumstances and the case must be reported in full to the Kennel Club within 7 days.

Judges may send the dog out if the dog appears to have an aggressive disposition.

Extract from Kennel Club Regulations F(1) Reproduced with their permission.

Issued by and on behalf of The Great Dane Breed Council.

VICIOUS DOGS

Are not eligible and must not be brought to the Show. Exhibitors are held responsible for any damage done by their dogs during the Exhibition.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.

Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations.

Right to Refuse Entries: Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog.

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused
