Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.

The Committee does not accept responsibility for the content of advertisements or products advertised. We wish to remind exhibitors that grooming products on sale may not meet the requirements of Regulations for the preparation of dogs for exhibition.

THE ATTENTION OF ALL EXHIBITORS IS DRAWN TO THE KENNEL CLUB REGULATION RE: FOULING WHICH READS

Any owner or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club Licensed Show within the environs of that event including Car & Caravan Parks and approaches you are asked to take special care of the Venue Car Park, approaches and exercise areas

ABOUT OUR JUDGES

MR JOE SMITH

Judging the dogs at Midland Boxer will be my 12th appointment with CCs. My first club show was the Merseyside in 1990, Bitches at the Northern in 2001 with 138 entered. Dogs at the Anglian in 2003 with 122 entered. I have judged many times in Ireland also Sweden, Australia and New Zealand. I am currently approved to award CCs in 36 breeds also the Working and Pastoral Groups.

In 1966 I bought a red and white bitch pup from Graham Talbot who was then the Midland Secretary, she was sired by Ch Tip Topper of Klewko out of a Klewko bitch, to sweeten the deal I was given a free years membership. I have been associated with the Midland for 59 years currently as Honorary Vice President.

BEATRICE STOCCHI (Parma, Italy)

Beatrice Stocchi is a criminal lawyer who has been passionate about dogs since childhood. Although she grew up surrounded by dogs, she was only able to own one as a young adult due to long periods of study abroad - experiences that also enabled her to speak three languages fluently.

Her first Boxer, Jasmine (a brindle female purchased in 1992 from the "della Talpa" kennel and sired by Carlos von Koeningsberg), marked the beginning of a lifelong dedication to the breed. She began exhibiting in 1993 and started working with her second "della Talpa" Boxer, Gastone (out of Vasco della Cadormare) in 2002. Gastone became the foundation of her breeding programme under the FCI affixes "del Ducato di Parma" and "dell'Ottava Meraviglia."

Since 2011, Beatrice worked in close cooperation with Alessandro Tanoni, whose advice has been instrumental in the development of her kennel.

Beatrice breeds with passion, always prioritising health, beauty, and character. Over the years, she has bred and shown numerous successful Boxers, including multiple:

- * Italian Club Beauty Champions
- * Italian, Croatian, Slovenian, and Austrian Champions
- * Young Champions and Champions of the Year (Italy, Austria, Slovenia, Croatia, Czech Republic, Serbia)
- * ATIBOX show placements
- * An ATIBOX Young Winner (fawn female Batida del Ducato di Parma, 2008)

Working Career

Her handling and working career includes:

- * Dozens of ZTP and Italian Koerung qualifications
- * Many IPO 1, several IPO 2, and multiple IPO 3 titles
- * IPO 2 ATIBOX WM Winner Champion (2012)
