HAVE A DOG DAY

ABOUT OUR JUDGE

I was bitten by the 'bulldog bug' ten years ago when I purchased Terralynda I Get Around Leximus and my affix was founded. Initially Brian was intended to be a pet, but after insistence from the breeder he was campaigned across the UK and Spain where he won the CAC and qualified for Spanish BOY.

In 2022 I purchased and campaigned CH Wilsonpride Enjoy The Ride with Leximus to his champion title my affix partner, Mrs Lisa McElligott. Dennis qualified for The Bulldog Winners Trophy 2026 and UK BOY 2023, 2024 and 2025.

I have been an active committee member of The Bulldog Club Incorporated and now East Midland Bulldog Club, playing an active part in launching The Bulldog Winners Trophy and this prestigious event was received with huge success.

Kingrock Jemima Puddleduck with Leximus JW is our current obsession and has had much success in the show ring. Florence was awarded her Junior Warrant at just 13 months, has won several BIS and multiple group placings. She has also qualified for The Bulldog Winners Trophy 2025 and 2026 and will go down in history for winning the breed's first ever Best Baby Puppy In Show.

I have been incredibly lucky to have received much help thus far from some very wise mentors who kindly imparted their knowledge and encouraged me, particularly Mr Chris Thomas & Mr Graham Godfrey of the world famous Kingrock kennel.

In 2025 I was lucky enough to be asked to accept my first overseas appointment and judge BOY Italy. I am hugely honoured to accept my first breed club appointment and send my gratitude to the committee of Northumberland and Durham Bulldog Club.

DATE FOR YOUR DIARY

Northumberland & Durham Bulldog Club

Use of Electrical Equipment at Shows

The Royal Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Royal Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events the Royal Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Royal Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

EXERCISE AREA

An exercise area will be provided. Exhibitors/Handlers are required to clear up any fouling by the dogs in their charge. **THE ATTENTION OF ALL EXHIBITORS IS DRAWN TO THE ROYAL KENNEL CLUB REGULATION RE: FOULING which reads** any owner or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Royal Kennel Club Licensed Show within the environs of that event including car & caravan parks and approaches. You are asked to take special care of the venue car park, approaches and exercise areas.

CRATE / CAGE IDENTIFICATION

Each exhibitor is responsible for providing their own crate or cage identification and should note that the original exhibit/bench number card, as provided by the show society, must not be used for this purpose.

The Royal Kennel Club request that, for safety reasons, all dogs in soft cages are NOT left unattended at any time

CHILDREN

Children must be kept under parental control at all times or they, with their parents, may be asked to leave the show

REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F(B)

Samples may be taken for further examination and analysis.

An objection may however, be lodged by an official of the show or any anyone so deputed by the Royal Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Royal Kennel Club will substantiate the grounds for an objection made on its behalf.
- 6 Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show & the individual must produce evidence of identity at the time of lodging the complaint.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Royal Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at Royal Kennel Club licensed events.

**Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures
and even on days considered as slightly warm
Please take care of your dog
If your dog is found to be at risk forcible entry to your vehicle may be
necessary without liability for any damage caused**

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results.

Welfare Of Dogs

Anyone whose dog is entered at a Royal Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Royal Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Royal Kennel Club Rules and Regulations.

The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Royal Kennel Club. This shall apply at the venue or within the precincts of the show.

No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the show. Any substance (other than water) which may be used in the preparation of dogs for exhibition must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition. Therefore chalking, powdering or spraying (with the exception of water) of exhibits within the precincts of the show is forbidden.
