The Royal Kennel Club will substantiate the grounds for an objection made on its behalf.
- 6 Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show & the individual must produce evidence of identity at the time of lodging the complaint.

THE ATTENTION OF ALL EXHIBITORS IS DRAWN TO THE KC REGULATION RE FOULING WHICH READS

Any owner or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Royal Kennel Club Licensed Show within the environs of that event including Car & Caravan Parks and approaches. You are asked to take special care of the Venue Car Park, approaches and exercise areas

Security at shows

In light of recent events the Royal Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Royal Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm

Please take care of your dog

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused

Your dog is vulnerable and at risk during hot weather and the Royal Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

Breach of Royal Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Royal Kennel Club Rules and Regulations.

The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Royal Kennel Club. This shall apply at the venue or within the precincts of the show.

EXERCISE AREA

The Club will provide an exercise area; exhibitors must make sure that this area is used

PLEASE EXERCISE YOUR DOGS IN THE PERMITTED AREA ONLY CLEAN UP AFTER YOUR DOG!

Parents bringing children to the Show shall be responsible for their BEHAVIOUR & DAMAGE THAT IS CAUSED PLEASE, NO RUNNING ABOUT as this frightens the dogs

The committee does not accept responsibility for the content of advertisements or products advertised. We wish to remind exhibitors that grooming products on sale may not meet the requirements of Regulations for the preparation of dogs for exhibition

Use of Electrical Equipment at Shows

The Royal Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Royal Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.
