## **DOG FOULING & GROOMING WASTE**

Any owner, exhibitor, handler or other person in charge of a dog is requested to  
remove as soon as possible any fouling caused by their dog/s at any Kennel  
Club Licensed Show within the licensed venue & within the environs of that  
event including car & caravan parks & approaches

The Kennel Club request that, for safety reasons, all dogs in soft cages  
are NOT left unattended at any time

## **Use of Electrical Equipment at Shows**

The Kennel Club is becoming increasingly concerned at the amount of electrical  
equipment being used by exhibitors at shows, including hair dryers and hair straighteners  
and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare  
instances where it might be required, it should be PAT tested and permission sought from  
the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors  
commandeering certain areas of a venue in order to have access to power points so as to  
use electrical grooming equipment. This is totally unacceptable and particularly unfair on  
the breeds whose allocated areas have been cramped because of this selfish behaviour.

## **Security at Shows**

In light of recent events the Kennel Club would like to issue a reminder to all Societies of  
the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of  
paraphernalia exhibitors bring it would be extremely difficult for show organisers to take  
on the issue of security alone, therefore we would reiterate the advice being given by the  
Police and security services, that everyone in the UK should remain vigilant and this  
applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a  
show cannot be underestimated. We would therefore remind you of the importance of the  
need for show organisers and exhibitors to remain mindful of potential dangers and that  
all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to  
report to should they see anything suspicious or of concern, and of the evacuation  
procedures in place.

## DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog
- When at the show, never leave your dog in the vehicle
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results.

Please look after your dog's welfare.

### **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED**

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
