ABOUT OUR JUDGE

For those who don't know me, I would like to introduce myself and thank TW&Ts Boxer Club for inviting me to judge this prestigious Championship show. My name is Sara Brooks - one half of the 'World famous' (?) Jinybrux boxers and if you have not heard of us where have you been!lol.

I grew up with boxer dogs. They taught me to walk whilst hanging onto them, insisted that I shared my food with them and mostly what unconditional love was all about. They also taught me patience!

Moving on to showing I had a fantastic mentor in my mum (Wendy Brooks) who taught and guided me with some patience but kept it real when I was to blame for the dog not behaving. She always gave me tips and the odd telling off. Thinking back over the years I have had my fair share of challenging dogs but I wouldn't have changed any of them for the world. I always persevered and managed to make a show dog of them, some took longer than others, so ... keep going!. Kindness and praise are key, if your Boxer wants to please you they will give that extra in the ring and enjoy it, which is what it's all about.

Mum and I have spent many years traveling to shows in the UK and Ireland. You would never believe half of the stories of things that have happened to us over the years, mum will tell you never let me book any accommodation as something always went wrong, it was either double booked, flooded or we had to climb over a mound of horse manure to enter the accommodation! However, the catastrophes never ruined our trips and we now often sit and reminisce, laughing at how we managed. The dogs were always our priority and we always made sure that they were comfortable and happy. I could go on but enough said about that for now.

After showing for many years I decided that I would like to start my judging career. I must be honest and admit mum was also my PA -booking me onto the seminars. Packing me up and sending me off to attend and learn, she always got feedback from the assessors afterwards. One particular lady, Maureen Wragg, assessed and guided me through seminars, encouraged and challenged me when I placed the dogs in a different order than herself. She reassured and accepted my explanations of slightly different placings to hers, kindly pointing out that judges opinions would sometimes vary. Maureen's knowledge was vast and she reiterated how lucky I was to have my mum as my mentor, advising me to listen which for anyone who knows my mum would understand that I really didn't have a choice ... HAHA. I was also so privileged to spend time at shows with Arthur and Shirley Butters who were patient and happy to share their knowledge and stories from past times with me. We had many discussions about types of Boxers and I really enjoyed the time talking to them and listening. They always had something to teach me, I have a lot of respect and admiration of their breeding and achievements throughout the years. It's such an honour to judge at Championship show level and I do appreciate what quality boxers we have here in the UK. I would like to thank all of you who have entered for my opinion. Remember, you take the best one (s) home. Enjoy it, I know I will.

Security at Shows

In light of recent events the Royal Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Royal Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

Use of Electrical Equipment at Shows

The Royal Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Royal Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Crate / Cage Identification

Each exhibitor is responsible for providing their own crate or cage identification and should note that the original exhibit/bench number card, as provided by the show society, must not be used for this purpose. The Royal Kennel Club request that, for safety reasons, all dogs in soft cages are NOT left unattended at any time

Dog Fouling & Grooming Waste

Any owner, exhibitor, handler or other person in charge of a dog is requested to remove as soon as possible any fouling caused by their dog/s at any Royal Kennel Club Licensed Show within the licensed venue & within the environs of that event including car & caravan parks & approaches

Exercise Area

An exercise area will be provided. Exhibitors/Handlers are required to clear up any fouling by the dogs in their charge.

No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the show.

Any substance (other than water) which may be used in the preparation of dogs for exhibition must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition.

Therefore chalking, powdering or spraying (with the exception of water) of exhibits within the precincts of the show is forbidden.

REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F(B)

An objection may however, be lodged by an official of the show or any anyone so deputed by the Royal Kennel Club. It will be the responsibility of the individual who lodges the objection or the official (as appropriate) to substantiate the grounds for the objection. The Royal Kennel Club will substantiate the grounds for an objection made on its behalf.
- 6 Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show & the individual must produce evidence of identity at the time of lodging the complaint.

Children

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Royal Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm
Please take care of your dog
If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused**

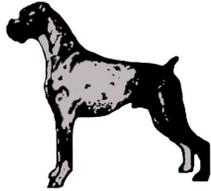

THE ATTENTION OF ALL EXHIBITORS IS DRAWN TO THE ROYAL KENNEL CLUB REGULATION RE: FOULING WHICH READS
