ABOUT OUR JUDGES

Tommy Dahlstrom

Since my early childhood in Sweden, where I was born and brought up, I have been surrounded by Boxers. Already as a teenager my interest in all facets of the canine sport was awakened. I had the privilege to develop friendships with and learn from many of the contemporary great boxer breeders.

During the 60's and 70's, I was an active member of *the Swedish Boxer Club*. I was involved in establishing the Boxer Club in the Gothenburg region, and for some years the Chairman of the club's 'Western Local Area'. Besides, I was the Editor of the club's *Boxer Bladet* magazine for several years. During this time I debuted as a breeder with my first litter.

My studies and work life brought me to England, where I became involved with the English boxer-scene. Here I launched the first truly international boxer magazine *BOXERAMA* with a world wide readership. For almost 20 years I was partner in the legendary *Wetherford Boxers* with Pat Withers as my mentor.

In 1982 I was approved by the UK Kennel Club as Judge for Boxers at Championship Show level, and since then I have judged mostly at Breed Specialty Shows in UK, Scandinavia, Australia, South Africa and the USA. I am particularly proud of having judged at the prestigious annual American Boxer Club National Show last year.

Today, I am retired and share my place of residence between Sweden and Berlin in Germany, where I worked for an international pharmaceutical company for many years.

Since my retirement, I have remained actively involved with Boxers as a judge and through my work with the Swedish Boxer Club, serving on various committees. I am currently leading the development of a digital breed knowledge platform, *The Boxer Academy*.

Gillian Henderson

The Taranut Affix was started in the 1970's by my mother and laid the foundations for the stock I have today. I grew up attending dog shows, living with and learning about the Boxer. I had the honour of being able to learn from some of the founders of the breed in the UK and many top breeders from the 80's onwards, who were always happy to pass on knowledge to a keen learner.

I have bred UK and Irish Champions and green card winners and further Champions on both sides of the water have been sired by my stock.

As well as my own showing, it has always made me happy and proud to have bred successful working Boxers in man work, agility, service, mantrailing and obedience.

This appointment will see me award my 5th set of CC's in Boxers. I wish to thank the Trent Boxer Club for inviting me to judge at their show today and I very much look forward to going over the bitches.

Use of Electrical Equipment at Shows

The Royal Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used. The Royal Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events the Royal Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Royal Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert. Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

Breach of Royal Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Royal Kennel Club Rules and Regulations.

Right to Refuse Entries

Exhibitors/Competitors are reminded that show societies have the right under Royal Kennel Club Regulation to refuse any entry.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Royal Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at RKC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog
- When at the show, never leave your dog in the vehicle
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm

Please take care of your dog

If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused

Anyone whose dog is entered at a Royal Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.
