## SHOW RULE: PHOTOGRAPHS & VIDEO RIGHTS

The taking of photographs or video footage anywhere within the venue or its boundaries for sale or reward is strictly prohibited except with the written permission of the Committee. Only Official Club Photographers will be so authorised conditional upon signature of a written agreement which secures for the Club the ownership of the images specifically for Club records or for publicity purposes by the Club. Press accredited photographers authorised by the Committee may take photographs ONLY for use in newspapers, magazines and internet sites, for news purposes only. There is no objection to Club Members of visitors taking photographs or video footage of general views of the show, provided that these are for personal private use. Specific dogs may be photographed or recorded on video footage only with the approval of the owner and/or exhibitor. Only Official Club Photographers may undertake photographic, film or video activities in the ring but not whilst judging is actually taking place. The use of flash devices for photography or video footage will be permitted unless exhibits are being adversely affected. Where this occurs outside the ring, the judge and ring steward(s) are empowered to stop the person using flash devices.

Entries for exhibition at Club Shows and Events are on the basis that owners and/or exhibitors agree that photographs or video footage may be taken of themselves and their exhibits by authorised Official Club Photographer(s) for Club Records or Club publicity purposes unless they indicate otherwise in writing to the Committee at the time entries are submitted. The Committee shall have absolute discretion to prohibit the taking of photographs or video footage if, for any reason, justifiable concern is expressed by Club Members, and visitors persistently disregarding these rules will be asked to leave the premises and appropriate disciplinary action will be taken against Club Members of persons concerned.

### Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

### Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

## DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog
- When at the show, never leave your dog in the vehicle
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

**Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm**

**Please take care of your dog  
If your dog is found to be at risk forcible entry to your vehicle  
may be necessary without liability for any damage caused**

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.

### *Right to Refuse Entries.*

Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.
